The Municipality of Chatham-Kent

The Municipality of Chatham-Kent, a community of approximately 110,000 people, covering 2,494 square kilometres (1,715 square miles) is located in the heart of Southwestern Ontario.

Nestled between the moderating influences of Lake Erie to the south, Lake Huron to the north and Lake St. Clair to the west, Chatham-Kent enjoys a temperate climate year round.

Chatham-Kent is bisected by Highway 401, the main transportation corridor from Windsor to Montreal. There are 950,000 Canadians living within a one-hour drive of Chatham-Kent. An impressive 60% of United States' residents live within a six-hour drive of Chatham-Kent.

Chatham-Kent's proximity to the United States (there are three major border crossings within a one hour drive) makes it an ideal choice for automotive manufacturers and other industries engaging in "just-in-time" delivery. Meritor Suspension Systems Co., International Truck and Engine Corporation Canada, Siemens VDO Automotive, and Arvin Meritor all call Chatham-Kent home.

As a result of the combination of the moderate climate and rich soil, Chatham-Kent is located in the richest agricultural area in Canada. Large agricultural industries like Pioneer Hi-Bred, Thompsons Limited and Commercial Alcohols have found Chatham-Kent the natural location for their operations.

Residents of Chatham-Kent enjoy the small town feeling that encompasses the twenty-three communities that make up the municipality while benefiting from the efficiencies of a regional municipal government. The Corporation of the Municipality of Chatham-Kent was established on January 1, 1998 and has led the Province of Ontario in municipal amalgamations.

Chatham-Kent offers quality educational facilities, healthcare facilities and services, a large number of recreational facilities and programs, affordable housing, low tax rates and all the amenities of a large city.

Cultural Facilities

The Municipality of Chatham-Kent owns and operates a variety of cultural venues that include the Chatham Cultural Centre, which incorporates the Kiwanis Theatre, Thames Art Gallery, The Milner Heritage House, the Chatham-Kent Museum and the Ridge House Museum in Ridgetown.

Chatham's historic Capitol Theatre will be a jewel in Southwestern's cultural inventory. Upon completion of the \$9 renovation, the highly anticipated theatre will be a technologically advanced state-of-the art facility hosting a wide range of performing arts, concerts and entertainment. It is scheduled to open in 2010.

Chatham-Kent was known as the northern terminus of the Underground Railroad and is home to Uncle Tom's Cabin Historic Site and Museum and the Heritage Room, all of the sites are important stops in the African Canadian Heritage Tour.

Chatham is considered the Classic Car Capitol of North America. In Blenheim, the RM Classic Car Exhibit features an ever-changing display of 100 historical automobiles from the last century and draws classic car buffs from around the world.

The Milner Heritage House and Ridge House both recreate the elegance of the Victorian age by showcasing period furniture and artifacts from life in the late 1800's. The Fairfield Museum features artifacts from the Old Fairfield Settlement, founded by David Zeisberger., a Moravian Missionary with the Delaware Nations in 1792. The Wallaceburg & District Museum combines displays of local artifacts, glass, sports memorabilia, and research facilities.

Recreational Facilities

The Municipality of Chatham-Kent boasts a wide range of recreational facilities such as athletic fields, bicycle, jogging and walking paths, playgrounds, skateboard parks, tennis courts, picnic shelters, golf courses, arenas and marinas.

The ten Chatham-Kent arenas offer a variety of activities including hockey, broomball, skating and ringette. The arenas feature meeting and/or multi-purpose rooms available for booking to accommodate meetings, bridal or baby shows and other special events.

Outdoor activities are abundant in Chatham-Kent. Our parks offer the quiet and natural beauty of the outdoors. Walkers, joggers, cyclists and birdwatchers enjoy our natural areas. A number of Chatham-Kent parks feature playgrounds, picnic shelters, tennis courts and sport fields.

Cooling off on a warm summer day in Chatham-Kent is made easy with access to nine outdoor pools (two with wading pools), two indoor pools and two spray pads.

Skateboarders will be thrilled with the variety of skate parks available in Chatham-Kent. The eight skate parks feature several jumps, steps and runs to accommodate many skill levels and age groups.

Located on the shores of Lake Erie, camping at Clearville Park is a bright spot in vacation plans. Over the past 100 years, area residents have become accustomed to using the water and beaches of Clearville Park for boating, swimming, and fishing and as a location to hold picnics and family gatherings. A variety of private campgrounds and marinas operate in the Municipality.

The Lower Thames Valley Conservation Authority operates eight conservation areas in the municipality. A variety of services including picnic areas, nature trails and interpretive nature programs are offered.

Riverfront Developments

Chatham has a multi-million dollar riverfront development, which includes docking, showers, water, hydro and walkways and is immediately adjacent to the downtown area. Facilities on Chatham's west side provide hydro and water to boating visitors. The banks of the Thames River in Chatham are a popular summertime attraction. Fairs, festivals and special events often occur along the river and throughout Chatham itself.

Wallaceburg is located along the banks of the Sydenham River, close to the St. Clair River and several border crossings to the United States. It is adjacent to excellent fishing and waterfowl hunting areas along Lake St. Clair. During the summer, Wallaceburg is a convenient base from which to explore the beautiful parks along the St. Clair Parkway.

Waterside Recreation

Whether you want to be in it, or by it, Chatham-Kent provides a playground for those who love boating, fishing, hunting and relaxing on a sandy beach. Shore up along the north shore of Lake Erie or along the Eastern Shore of Lake St. Clair, or along the Eastern shore of Lake St. Clair. Inland rivers include the Sydenham and the Thames River - a designated Heritage River. Chatham-Kent is home to the most renowned fishing sports in North America.

Excellent marinas in the area provide seasonal and overnight boating facilities.

Anglers will find a wide assortment of species, like small mouth bass, pickerel, crappie, bluegill, perch, walleye and northern pike. During summer months, people travel from afar to fish, boat, bird watch and duck hunt, and in the winter season, ice fish on the Thames River, Mitchell's Bay on Lake St. Clair and Eriean.
