Disclaimer:

It is your responsibility to ensure you are aware of, and fully comply with the requirements of the Open Burn By-law – Number 107-2016. Chatham-Kent Fire & Emergency Services will not normally visit your property before granting a permit. An enforcement officer may prohibit any open-burn activity at your property if in his or her judgement they believe it to be unsafe. The Municipality may also take further enforcement action as listed in Section 10 – Offences, under By-law 107-2016 if you are not complying with the requirements.

By signing you understand and accept the following:

- You have read and are complying with the requirements of Open Burn By-law #107-2016
- You have completed the required application and your property is within the prescribed parameters listed in the By-law
- You understand the fire cannot create a nuisance for other persons such as your neighbours and to co-operate with anyone who raises concerns as to the open burn.
- The rights of the Municipality of Chatham-Kent to enter your property and enforce the requirements of the By-law
- You may be liable for the costs of any activity to manage the results of an unauthorized burn at your property
- You are the owner of the property or authorized agent (with proof) for which you are applying for a burn permit
