Make Words Sparkle for Preschoolers and Kindergarten Children:

Bringing Vocabulary to Life During Book Reading and Daily Interactions

FREE E-Seminar!

30 day access. Limited to the first 20 registrants

Course Overview for E-Seminar

Make Words Sparkle focuses on making vocabulary instruction a natural part of shared book reading and everyday conversations in early childhood settings. This 2-hour e-Seminar offers research-based strategies that foster vocabulary learning in children who have a basic vocabulary and speak in sentences. With the help of videotaped, real-life examples, participants learn how to:

- select target words
- highlight new words and convey the meaning of new words through visual cues
- provide children with opportunities to use and hear new words in a variety of everyday contexts

Course Objectives

Upon completion of this 2 hour e-seminar, participants will be able to:

- Describe the connection between vocabulary knowledge and literacy
- Select the “right” books to foster vocabulary learning during book reading
- “Step up” the level of vocabulary with the introduction of less familiar and less frequently occurring sophisticated or precise words that are connected to literacy success
- Apply the vocabulary-building strategy “Shoot for the SSTaRS” in book reading as well as in meaningful conversations during everyday classroom activities, as well as during speech therapy sessions
- Share strategies for building vocabulary with parents and early childhood educators

Eligibility

- Professionals who work with young children and their families
- Speech-language pathology and early childhood education students
