

ACKNOWLEDGEMENTS

The Chatham-Kent Trails Master Plan is the product of dedicated work by many people. This plan was developed by a Steering Committee and a Consultant Team and was shaped by all those who participated in its creation. The Consultant Team would like to thank the Municipality of Chatham-Kent for the opportunity to develop the Chatham-Kent Trails Master Plan, and would like to extend our sincere appreciation to members of staff, the Steering Committee and the public who gave their time and energy in the development of this plan, especially those who provided input at various points throughout the project.
