Subject: Applications for Consent & Zoning By-law Amendment
PL201900091 – Richard & Lisa English
9155 Cundle Line, Community of Harwich (South Kent)

Recommendations

It is recommended that:

1. Consent application File B-66/19 to sever a surplus dwelling on a new lot, approximately 1.0 ha (2.48 ac.) in area, shown as Part 1 the applicant's sketch, in Part of Lot 22, Concession 2, in the Community of Harwich, be approved, subject to the following conditions:
 - a) that the Chatham-Kent Zoning By-law be amended to:
 - i) rezone the residential surplus dwelling lot to a site-specific Agricultural (A1-1173) zone that permits a surplus dwelling on a lot greater than 0.8 ha (1.98 ac.); and,
 - ii) rezone the retained parcel to a site-specific Agricultural (A1-1) zone to prohibit future dwellings;
 - b) that the applicant pay \$100 for the cost associated with the apportionment of assessment under the Drainage Act related to the subject lands;
 - c) that a hard copy and AutoCAD.dwg version of the final reference plan projected to the NAD 83/UTM Zone 17N coordinate system be submitted to the Municipality; and,
 - d) that the necessary deed(s), transfer or charges be submitted in triplicate; signed and fully executed (no photo copies), prior to certification.

2. Zoning By-law Amendment application File D-14 HA/15/19/E be approved and the implementing by-law be adopted.

Background

The subject property is located on the north side of Cundle Line, between Lagoon Road and Fargo Road, in the Community of Harwich (Roll No. 3650 140 009 08250). The lands are approximately 21.55 ha (53.26 ac.) in area and contain a single detached dwelling. The subject property is designated Agricultural Area in the Chatham-Kent Official Plan and zoned Agricultural (A1). A key map showing the location of the subject property is attached as Appendix A. Pictures showing the subject property and surrounding area are attached as Appendix B.

The proposal is to create a residential surplus dwelling lot, approximately 1.0 ha (2.48 ac.) in area, shown as Part 1 on the applicant's sketch, attached as Appendix C. The surplus dwelling lot will contain the existing dwelling. The retained farm parcel will be approximately 20.55 ha (50.78 ac.) in area.

It has been verified that the applicant owns additional acreage in the area and maintains a dwelling and base of farming operation at 21155 Lagoon Road, in the Community of Harwich. This property renders the dwelling on the subject property surplus to the needs of this farming operation.

Comments

Provincial Policy Statement (PPS)

The proposed surplus dwelling severance is consistent with Section 2.3.4.1(c) of the PPS and does not raise any issues of provincial interest.

Official Plan

The proposed surplus dwelling severance has been reviewed under the policies of the Chatham-Kent Official Plan. It has been specifically reviewed under Section 3.10, Agricultural Area Policies, and Section 6.3.3, Planning Tools (Consent and Zoning By-law), and generally meets these policies.

The proposed surplus dwelling severance is consistent with Section 3.10.2.18.2(b) of the Official Plan. The proposed severed lot is of sufficient area to accommodate the existing dwelling, private water well, and septic system. There is no shared drainage and both the proposed severed and retained parcels will maintain separate access from an improved public road. It has also been verified that there are no local improvement charges associated with the subject property. Overall, there is negligible impact to lands currently under agricultural production.

Zoning By-law

The Chatham-Kent Zoning By-law contains provisions under the Agricultural (A1) zone

that are specific to a surplus dwelling severance. These provisions include permitting a single detached dwelling on a lot created as a result of consent with an area of 0.8 ha (1.98 ac.) or less. These provisions also prohibit any future dwelling on the remnant parcel.

The proposed surplus dwelling severance will create a new 1.0 ha (2.48 ac.) residential lot. The portion of the property occupied by the dwelling and landscaped area is bound by a Municipal Drain (no name). The drain provides a logical boundary for the proposed lot. However, the resulting lot area exceeds the Zoning By-law maximum. Therefore, a zoning by-law amendment is required to implement the surplus dwelling severance by rezoning the severed lot to a site-specific Agricultural (A1-1173) zone that recognizes a surplus dwelling on a lot size greater than 0.8 ha (1.98 ac.). To implement the direction of the Provincial Policy Statement and Official Plan, the zoning by-law amendment will also rezone the retained parcel to a site-specific Agricultural (A1-1) zone to prohibit any future dwelling on these lands. All other applicable zoning regulations are being met by this proposal.

Conclusion

The proposal has been reviewed in the context of the Provincial Policy Statement, the Chatham-Kent Official Plan and Zoning By-law and will be in full conformity, if approved. Therefore, the applications are being recommended for approval.
