CHATHAM-KENT ONTARIO, CANADA
Land of OPPORTUNITY

GET CONNECTED | InvestCK.ca

reliable ENERGY | abundant WATER | superior SUPPLY CHAIN

We are builders, makers and problem solvers with an experienced workforce, fertile soil, excellent climate and access to US$18 trillion NA market. Now that’s a recipe for success!

Our companies take your ideas and bring them to life.

Fabrication, advanced robotics and PLC experts create solutions with intricate precision and quality.

Our specialized expertise and innovation cultivates success within the agriculture sector, automotive sector, oil, gas and chemical sectors and the transportation sector.

Chatham-Kent boasts 2100 innovative growers of 75 different crops. Nestled in the fertile soil of southern Ontario, we have a mean annual temperature 9.6°C with a 215 day growing season. Currently, 84% of our 616,320 acres of land (2,484 km²) is dedicated to agriculture.
