

Municipality of Chatham-Kent

Harwich Transfer Station Operating Procedures

Operating Procedures for Rural Residents

- Each rural household is allowed one-half cubic metres of household waste (equal to eight garbage bags not larger than 30" x 36").
- A charge of \$2.00 per bag or minimum \$20 per ½ cubic metre applies when in excess of the limit.
- Large household items are accepted but are included in the ½ cubic metre limit.
- Residential recycling is accepted free of charge. Please refer to the recycling guide.

Operating Procedures for Rural and Urban Residents

- Each homeowner is limited to a maximum of ten non-commercial residential tires free of charge.
- Each farm with a residence is also limited to four rimless farm tractor tires free of charge. The Operator is not authorized to take excess or other rimless tires.
- Refrigerant units (fridges, air conditioners, etc.) containing Freon are accepted free of charge provided they are tagged by a licensed ODP cardholder and the proof of refrigerant removal (tag) is left with the operator. There is a \$20 fee for untagged refrigerant units. All other non-refrigerant units/white goods are accepted free of charge.
- Scrap metal (stoves, washers/dryers, etc.) is accepted free of charge.
- Empty propane cylinders (20-30 lbs only) are accepted free of charge.
- Used oil - first 20 litres are free of charge. A charge of \$.10/litre will apply in excess of 20 litres.
- Used oil filters and empty oil/antifreeze/lubricant containers are accepted free of charge.
- Electronic waste is accepted free of charge. Please refer to the electronics guide.
- Single-use and vehicle batteries are accepted free of charge.
- Leaf and yard waste. Please see operator for details.
- Excess household/kitchen waste from curbside residents is \$2/bag. All other excess waste including renovation material is \$20 per ½ cubic metre.

Not Accepted

- Fill of any kind, ashes, hazardous waste, dead livestock, railroad ties, rubble such as broken concrete, cement blocks, stones, non-emptied propane cylinders, car parts, old cars, engine blocks, sharps/needles, burnable materials, paint, pesticides or chemicals of any kind.
- Household garbage and recycling from residents who receive curbside collection.
- Non household garbage and recycling from commercial, institutional and industrial properties including farms.
