

Municipality of Chatham-Kent

Howard Transfer Station Operating Procedures

Operating Procedures for Rural Residents

- Each rural household is allowed one-half cubic metre of household waste (equal to a maximum of eight garbage bags not larger than 30" x 36"). **Residents are required to sign in and inform the Operator what they are delivering to the site.**
- **Residential recycling must be sorted beforehand and all recyclables must be rinsed and not contain food products.** Recycling is accepted free of charge. Please see operator &/or recycling guide for details.
- Large household items (i.e. furniture) are only accepted if the Operator has capacity for all bagged garbage first otherwise all such items are to be delivered to either the Harwich or Wallaceburg Transfer Stations. Please note that a minimum fee of \$20 will apply to these items depending on how many items and exactly what you have.

Operating Procedures for Rural and Urban Residents

- Each homeowner is limited to a maximum of ten non-commercial residential tires free of charge.
- Each farm with a residence is also limited to four rimless tractor tires free of charge. The operator is not authorized to take excess or other rimless tires.
- Refrigerant units (fridges, air conditioners, etc.) containing Freon are accepted free of charge **provided** they are tagged by a licensed ODP cardholder and the proof of refrigerant removal (tag) is left with the operator. Untagged units **will not** be accepted.
- Scrap metal (steel, tin, stoves, dishwashers, washer/dryers, etc.) is accepted free of charge.
- Empty propane cylinders (20-30 lbs only) are accepted free of charge.
- Electronic waste is accepted free of charge. Please see operator for details.

Not Accepted

- Building materials/construction waste. This material is only accepted at the Harwich or Wallaceburg Transfer Station or the Ridge Landfill for a fee.
- Fill of any kind, ashes, sod, hazardous waste, dead livestock, railroad ties, rubble such as broken concrete, cement blocks, bricks, stones, plaster, non-emptied propane cylinders, car parts, old cars, engine blocks, sharps/needles, burnable materials, paint, pesticides or chemicals of any kind.
- Garbage and recycling from residents who receive curbside collection.
- Non household garbage and recycling from commercial, institutional or industrial properties.
- Leaf and yard waste.
- Ashes.
