

BY-LAW NUMBER 144-2014

OF THE CORPORATION OF THE
MUNICIPALITY OF CHATHAM-KENT

A by-law to regulate the sale and setting off of Fireworks or any class or classes thereof.

FINALLY PASSED the 8th day of September, 2014

WHEREAS Section 120 of the *Municipal Act, 2001*, S.O. 2001, c. 25 provides that a local council may prohibit and regulate the manufacture, storage, keeping and transportation of explosives and dangerous substances;

AND WHEREAS Section 121 of the *Municipal Act, 2001*, S.O. 2001, c.25 authorizes councils of all local municipalities to prohibit and regulate the sale and setting off of Fireworks, may prohibit these activities unless a permit is obtained, and may impose conditions for obtaining, continuing to hold and renewing the permit, including requiring the submission of plans;

AND WHEREAS Section 7.1 (1) of the *Fire Protection and Prevention Act, 1997*, S.O. 1997, c.4, as amended, provides that a council of a municipality may pass by-laws regulating fire prevention, including the prevention of the spreading of fires;

THEREFORE the Municipal Council of The Corporation of the Municipality of Chatham-Kent enacts as follows:

1. DEFINITIONS

In this by-law:

“Authorized Person - Display Fireworks” means those certified persons working under the direct supervision of a certified Fireworks supervisor.

“Authorized Person - Pyrotechnics” means those certified persons working under the direct supervision of a pyrotechnician.

“Chief Fire Official” means the Fire Chief of the Fire and Emergency Services for the Municipality of Chatham-Kent, or a member or members of the Fire and Emergency Services so designated by the Fire Chief or as determined under the provisions of the *Fire Protection and Prevention Act, 1997*.

“Consumer Fireworks” means low-hazard Fireworks for recreation that are described under the Explosives Act, Explosive Regulations 2013, SOR 2013/211 Part 16, as amended, and includes, but is not limited to Sky Lanterns, Fireworks showers, fountains, golden rain, lawn lights, pinwheels, roman candles, volcanoes, sparklers, and other similar devices, but does not include Christmas crackers and paper caps containing not more than twenty five one-hundredths of a grain of explosive on average per cap, devices for use with such caps, safety flares, or marine rockets.

“Display Fireworks” means high-hazard Fireworks for recreation, including firecrackers, that are described under the Explosives Act, Explosive Regulations 2013, SOR 2013/211 Part 18, as amended and includes, but is not limited to; rockets, serpents, shells, bombshells, tourbillions, maroons, large wheels, bouquets, barrages, bombardos, waterfalls, fountains, batteries, illuminations, set pieces and pigeons.

“Display Fireworks Plan” means a full description of the planned event and a list of all materials to be fired, detonated, burnt or energized during the event, a sequence of Fireworks firing, a list of the fire safety precautions, a site plan including a diagram of the event, the firing zone, fallout zone, spectator area and

parking area, and a description of staffing and staff training, extinguishing capability, communications provisions, and fire watches.

"Display Fireworks Supervisor" means a person certified by Natural Resources Canada – Explosives Regulatory Division who is an approved purchaser of Display Fireworks and who is qualified at the appropriate level under the Explosives Act to supervise the discharge of Display Fireworks.

"Enforcement Officer," shall mean a Municipal By-law Enforcement Officer, a Chatham-Kent Fire and Emergency Services Officer, or a Police Officer.

"Explosives Act" means the *Explosives Act* R.S.C, 1985, c. E-17, (Canada) and the regulations enacted there under, as amended.

"Event Safety Plan" means a full description of the planned Pyrotechnics event and a list of all materials to be fired, detonated, burnt or energized during the event, a sequence of Pyrotechnics firing, a list of fire safety precautions, a site plan including a diagram of the event, exiting from the event and spectator areas a description of staffing and staff training, extinguishing capability, communications provisions to notify emergency services, and fire watches.

"Fire Ban" means a restriction or prohibition on open-air fires issued by the Chief Fire Official that serves as a temporary revocation of all issued burning permits and results from a high or extreme fire weather index or other hazardous conditions.

"Firecracker" means a Pyrotechnic device that explodes when ignited and does not make any subsequent display or visible effect after the explosion, but does not include paper caps containing not more than twenty five one-hundredths of a grain of explosive on average per cap, devices for use with such caps, safety flares, or marine rockets.

"Fireworks" means Fireworks as described in the Explosives Act and regulations under the Explosives Act and includes Display Fireworks, Pyrotechnic Special Effects Fireworks and Consumer Fireworks.

"Ignition Source" means a heat source having sufficient energy to initiate combustion of a material.

"Issuer of Licenses" means a person designated as the Issuer of Licenses by the Municipality of Chatham-Kent and includes his/her designate(s).

"Licence" means a business licence issued by the Municipality of Chatham-Kent pursuant to the *Municipal Act, 2001*.

"Municipality" means the Corporation of the Municipality of Chatham-Kent.

"Owner" means the person who owns the property and, for the purposes of this by-law, shall include any owner, occupant, tenant or lessee.

"Permit" means permission to ignite or set off Display Fireworks or Pyrotechnics granted by the Municipality on a completed form, signed and issued by the Chief Fire Official.

"Prohibited Fireworks" includes, but is not limited to, Sky Lanterns , cigarette loads or plugs, exploding matches, ammunition for miniature tie clip, cufflink, or key chain pistols, auto alarms or jokers, "cherry bombs" M-80 and silver salutes and flash crackers, throw smoke bombs, tear gas pens and launchers, party poppers and table bombs, table rockets and bottle skyrockets, fake Firecrackers and other trick devices or practical jokes, as included on the most recent list of prohibited Fireworks, as published from time to time by the Explosives Branch, Natural Resources Canada, or their successors.

"Pyrotechnic Special Effect" means compositions, articles and devices created for the purpose of entertainment through the use of Pyrotechnic, propellant and explosive materials.

"Pyrotechnician" means the person certified by Natural Resources Canada – Explosives Regulatory Division at the appropriate level to conduct a public or private Pyrotechnic Special Effects Display under the terms of the Explosives Act.

"Pyrotechnics" means the sciences of materials capable of undergoing self-contained and self-sustained exothermic chemical reactions for the production of heat, light, gas, smoke and/or sound.

"Sky Lantern" means those devices also known as Flying, Chinese, Kongming or Wish lantern, or other similar device which are devices constructed of paper and a frame containing a fuel pack, which fuel pack is usually a petroleum or wax based fuel that when lit causes the lantern rise.

"Trailer" means an attachment that is at any time drawn upon a highway by a Vehicle, generally designed to transport persons or property.

"Vehicle" means a motor vehicle, recreational vehicle, all-terrain vehicle, mobile home, boat or other similar item propelled or driven by any kind of power, but does not include trailers

2. SALE OF CONSUMER AND DISPLAY FIREWORKS

2.1 No person, firm, corporation, partnership or any combination thereof shall:

- (a) Sell any Fireworks without a License to do so, issued by the Municipality pursuant to this by-law. The holder of a License issued under the provisions of this by-law shall prominently display the License in the place of business where the Fireworks are being offered for sale and such Licence shall be produced to any Enforcement Officer upon request.
- (b) Sell any Consumer Fireworks to any person under the age of eighteen (18) years.
- (c) Sell any Consumer Fireworks during a Fire Ban.
- (d) Sell any Consumer Fireworks to any person except on Canada Day, and on the day fixed by proclamation of the Governor-General for the observance of Victoria Day, or such day as is proclaimed by the Council as suitable for celebration, the preceding ten (10) days in each case and the subsequent seven (7) days following Victoria Day only.
- (e) Sell any Consumer Fireworks of a type the setting off of which is prohibited.
- (f) Sell any Consumer Fireworks in a building unless the provisions of the Ontario Fire Code, the Explosives Act of Canada, this by-law and all other Acts and Regulations have been complied with.
- (g) Offer for sale, cause to be sold, or sell Firecrackers.

2.2 All persons, firms, corporations, partnerships or any combination thereof, carrying on business in the Municipality of Chatham-Kent who proposes to sell Consumer Fireworks of any kind or description at retail shall observe the following regulation:

- (a) No display of any such Consumer Fireworks shall be exhibited in any display window. This prohibition shall not apply to prevent imitations of such Consumer Fireworks being displayed provided there are no explosives or chemicals contained in such imitations.
- (b) Customers are not permitted to handle any Fireworks articles that are not in approved packaging until the articles have been purchased.
- (c) The retailer must display Fireworks for sale in accordance with the provisions of the Explosives Act.

2.3 No person shall sell any Display Fireworks to any person unless the purchaser provides evidence of certification at the appropriate level by Natural Resources Canada – Explosives Regulatory Division as a Display Fireworks Supervisor.

3. LICENSING REQUIREMENTS

3.1 Every person carrying on the business of selling or offering for sale Consumer Fireworks, shall apply for and obtain a Licence from the Municipality and obtain a fire inspection as part of the License approval process at the time of Licence application or renewal.

3.2 An application for a licence, or a renewal thereof, shall be duly completed on the form(s) provided by the Municipality and the applicant for such a licence shall provide such document or things as the Issuer of Licences may require, and shall pay such fee as Council for the Municipality may establish under Municipality of Chatham-Kent User Fees By-law.

3.3 The Issuer of Licenses may refuse to issue a Licence to any applicant where:

- (a) the past conduct of the applicant affords reasonable grounds for the belief that the applicant will not carry on the activity for which he/she is to be licensed in accordance with the by-law, and with integrity and honesty;
- (b) the applicant fails to provide any information required by the Issuer of Licenses;
- (c) the issuance of the Licence or renewal of the Licence would not be in the public interest; or
- (d) the applicant is carrying on activities that are, or will be, if the applicant is Licensed, in contravention of this by-law or any other applicable law.

3.4 The Issuer of Licenses may issue or renew a Licence subject to such provisions as set out in this by-law.

3.5 Where a person Licenced under this by-law contravenes this by-law, the Issuer of Licenses may revoke or suspend the Licence. Any suspension of a Licence may be subject to such terms and conditions as the Issuer of Licenses may impose.

3.6 Where the Issuer of Licenses refuses to issue or renew a Licence, or intends to suspend, revoke or cancel a Licence, the Issuer of Licenses shall notify the applicant or holder of the Licence in writing of such decision. Any applicant or holder of a Licence, who receives a suspension, revocation or cancellation notice, may appeal the decision by providing notice to the Issuer of Licences in writing of such intent to appeal. All requests for an appeal shall include:

- (a) The reason(s) for the appeal;
- (b) Identification of the applicant and any other party who will participate in the hearing;
- (c) The name of the agent, representative or lawyer representing the applicant;
- (d) The municipal address, telephone numbers, facsimile numbers and email addresses for each person identified in subclauses (b) and (c);

3.7 Where there has been request for an appeal, the Issuer of Licenses shall provide a notice of hearing in writing to the appellant. Council shall hold the hearing at the time, place and date as set out in the notice and the *Statutory Powers and Procedures Act*, R.S.O. 1990, c. S. 22, as amended, with the exception of sections 17, 17.1, 18 and 19, shall apply to such hearing.

3.8 Council may confirm, amend or reverse the decision of the Issuer of Licences, and where reasonably appropriate, Council may impose special conditions upon the applicant or holder of the Licence as a requirement of being issued or holding a Licence.

4. STORAGE AND DISPLAY WITHIN BUILDINGS, TRAILERS OR VEHICLES

4.1.1 STORAGE WITHIN BUILDINGS

- (a) The storage of Fireworks within buildings shall meet the requirements of the Explosives Act. Where there is any conflict between this by-law and the Explosives Act, the more restrictive provision shall apply.
- (b) A building may house up to 1000 kg gross weight of Consumer Fireworks provided that it is detached from a dwelling and that the building, or a dedicated portion of it is closed to public access, well-constructed, and used exclusively for Fireworks storage.
- (c) If the building does not meet the requirements of Section 4.1.1(b), the Fireworks may be kept in a lockable secure bin within the building, but in this case the storage limit is reduced to 100 kg gross weight. At any time when not in use, the bin shall be locked.
- (d) Storage quantities in excess of 1000 kg gross weight require a magazine licence issued by the Explosives Regulatory Division, Natural Resources Canada.
- (e) The storage facility must display a warning sign marked "FIREWORKS."
- (f) At least one 4A 60BC fire extinguisher shall be provided to combat possible fires that are NOT part of the Consumer Fireworks themselves. In the case of fire involving Consumer Fireworks, the Licence holder will ensure that the immediate evacuation of staff and customers takes place, and call 911 for emergency services.
- (g) Storage of Fireworks in Vehicles is prohibited.

STORAGE WITHIN TRAILERS

4.1.2 No person shall store Consumer Fireworks in any Trailer that is not in accordance with this by-law.

4.1.3 No person shall in any Trailer:

- (a) Display or sell Consumer Fireworks other than Consumer Fireworks displayed behind or under glass that is not exposed to direct sunlight.
- (b) Store Consumer Fireworks in amounts exceeding 1000 kilograms unless the wholesaler or retailer is licensed by the Explosives Division, Natural Resources Canada.
- (c) Allow or permit an Ignition Source within six (6) metres of any Consumer Fireworks kept or displayed for sale.
- (d) Allow or permit an Ignition Source within six (6) metres of a Trailer in which any Consumer Fireworks are kept or displayed for sale.
- (e) Permit access to Consumer Fireworks stored within any Trailer, unless the Trailer has two separate operative doors and signs stating that all Ignition Sources are prohibited within six (6) metres of the Trailer and are posted at every point of access to the Trailer.
- (f) Locate any Trailer containing Fireworks less than twenty (20) metres from any road or parking space and not less than forty (40) metres from any occupied buildings, dwellings and gas stations.
- (g) Permit more than ten (10) customers in the Trailer at any one time.
- (h) Locate any portable electrical power supply and/or fuel supply less than twelve (12) metres, from the Trailer.

4.2 Any person selling from a Trailer shall erect pylons or snow fence to form and maintain a no encroachment zone of three (3) metres surrounding the Trailer by the general public.

4.3 Any person selling from a Trailer shall have obtained, and filed with the Municipality, a Letter of Permission from the owner of lands on which the Trailer will be parked.

- 4.4 Any person selling from a Trailer must provide to the Municipality, at the time of application for a Licence or renewal of a Licence, a Site Plan, showing the location of the Trailer and depicting setbacks from public roadways and buildings on the property, and parking areas.
- 4.5 At least one 4A 60BC fire extinguisher shall be provided to combat possible fires that are NOT part of the Consumer Fireworks themselves. In the case of fire involving Consumer Fireworks, the Licence holder will ensure that the immediate evacuation of staff and customers takes place, and call 911 for emergency services.
- 4.6 There shall be a list of emergency telephone numbers and “No Smoking” signs posted at each operative door to the Trailer.

5. DISCHARGING OF CONSUMER FIREWORKS

- 5.1 The setting off of Consumer Fireworks as set out in the provisions of this by-law, is hereby prohibited except on Victoria Day, Canada Day, or such day as is proclaimed by Municipal Council as suitable for celebration, and the preceding three (3) days and the following day in each case.
- 5.2 No person shall ignite or set off any Consumer Fireworks on any property unless such person is the Owner of that property or has written permission to do so by the Owner of such property.
- 5.3 No person shall set off or allow to be set off any Consumer Fireworks in such a place or in such a manner as might create danger to any person or property, or do or cause or allow any unsafe act or omission at the time and place of the setting off of any Consumer Fireworks, and, without restricting the foregoing:
- (a) No person under the age of eighteen (18) years shall set off or hold in their hand, any Consumer Fireworks, except under the direct supervision and control of a parent or other responsible adult.
 - (b) No person shall possess, set off, or cause to be set off any Firecrackers.
 - (c) No person shall set off Consumer Fireworks without having the means readily available to summon the emergency services.
 - (d) No person being the parent or guardian of any person under the age of eighteen (18) years shall allow him or her to set off any Consumer Fireworks except when such parent or guardian or some other responsible person is in direct supervision and control.
 - (e) No person shall set off any Consumer Fireworks in or onto any highway, street, lane, square or other public place. This provision shall not be deemed to prohibit a Fireworks Display in a public park or other public place in accordance with a permit issued under the provisions of this by-law.
 - (f) No person shall set off any Consumer Fireworks in or into any building, doorway, automobile or other place (such as the roof of a building) where such setting off might create danger to any person or property or that may create a nuisance to any person or property.
 - (g) No person shall set off Consumer Fireworks after the hour of 11:00 pm, (local time) without written approval from the Chief Fire Official.

6. PERMIT FOR DISPLAY FIREWORKS

- 6.1 Every person who wishes to set off any Display Fireworks shall obtain a Permit to do so, signed by the Chief Fire Official. Such Fireworks displays shall be conducted in accordance with a Display Fireworks Plan approved by the Chief Fire Official. Display Fireworks may be permitted on Municipal property with a valid Permit, if the Permit so approves use on Municipal Property.

- 6.2** Every application for a Permit shall be made in writing to the Chief Fire Official and received not less than thirty (30) calendar days prior to the setting off of the Display Fireworks. An event safety plan shall accompany the application.
- 6.3** Every application for a Permit shall include the following information:
- Permit fee as outlined in the Municipality of Chatham-Kent User Fees By-law,
 - name and contact information in which the Permit is to be issued,
 - the date, time, and location or site of the setting of the Display Fireworks,
 - the name and phone number of the Display Fireworks Supervisor,
 - addresses and certification numbers of the Display Fireworks Supervisor and other Authorized Persons participating in the event,
 - the name of the sponsor or purchaser of the event,
 - a Display Fireworks Plan.
- 6.4** No person, other than an Authorized Person shall set off or cause to be set off Display Fireworks for an audience.
- 6.5** It shall also be a condition of the issuing of a Permit for Display Fireworks, that all unused Fireworks and all debris shall be removed from the display site and fallout area by the Permit holder as soon as can safely be removed after the display, and safely disposed of.
- 6.6** The Permit shall be valid only for the date or dates set forth in the Permit.
- 6.7** The Permit holder shall supervise the setting off or igniting of Display Fireworks.

7. DISCHARGING OF DISPLAY FIREWORKS

- 7.1** No person shall set off, or have a display of Display Fireworks without first obtaining a Permit to do so. The Permit shall be available for viewing by an Enforcement Officer at all times, upon request.
- 7.2** No person shall ignite, set off, or have a display of Display Fireworks on any property unless such person is the Owner of that property or has written permission to do so by the Owner of that property.
- 7.3** No person shall ignite, set off, or have a display of Display Fireworks unless such person is either qualified as a Display Fireworks Supervisor or is an Authorized Person working under the direct supervision of a Display Fireworks Supervisor.
- 7.4** A Display Fireworks Supervisor shall produce a current certificate of qualification as issued by the Explosives Regulatory Division, Natural Resources Canada upon the request of the Chief Fire Official.
- 7.5** No person shall ignite, set off, or have a display of Display Fireworks unless there is provided maintained and fully operational fire extinguishers of an approved size and quantity that are ready for immediate use, and a means of immediately summoning the emergency services to the display site.
- 7.6** No person shall transport, setup, set off, or operate Display Fireworks except in accordance with the requirements outlined in the most recent Display Fireworks Manual, published by Natural Resources Canada.
- 7.7** No person shall ignite, set off, or have a display of Display Fireworks in winds greater than 30 km/hr. or when a Fire Ban, has been issued.
- 7.8** No person shall set off Display Fireworks in a manner which violates the terms of a Permit or any plans, directions or conditions of the Permit.

8. PYROTECHNICS

- 8.1** No person shall ignite, set off, or have a display of Pyrotechnics without first obtaining a Permit to do so. The Permit shall be available for viewing by an Enforcement Officer at all times upon request.
- 8.2** No Person shall conduct an event including Pyrotechnic Special Effects without an unexpired Pyrotechnician's card issued pursuant to the Explosives Act.
- 8.3** No Person shall transport, setup, ignite, or operate Pyrotechnic Special Effects except in accordance with the requirements outlined in the Pyrotechnic Special Effects Fireworks Manual issued by Natural Resources Canada.
- 8.4** An application for approval Pyrotechnics Permit shall be made using the approved forms. Every application shall be made in writing and received not less than thirty (30) calendar days prior to the setting off of the Pyrotechnics. An event safety plan shall accompany the application.
- 8.5** Any entertainment event or movie shoot requiring the use of Pyrotechnics shall require a signed letter from the venue's Owner or agent granting permission for the use of Pyrotechnic Special Effects.
- 8.6** An application for approval Pyrotechnics Permit shall include the following:
- permit fee as outlined in the Municipality's User Fee By-law.
 - date, time and location of the proposed event,
 - names, addresses and certification numbers of all display Pyrotechnicians and their assistants participating in the show,
 - the name of the sponsor or purchaser of the event,
 - a full description of the planned event and a list of all materials to be fired, detonated, burnt or energized during the event, the sequence of firing,
 - an Event Safety Plan.
- 8.7** No person shall set off Pyrotechnics in a manner which violates the terms of a Permit or any plans, directions or conditions of the Permit.

9. INSURANCE

- 9.1** Every application for a Permit to discharge Display Fireworks or Pyrotechnics must include proof of Commercial General Liability Insurance coverage inclusive per occurrence for bodily injury, death and damage to property, including loss of use, in the name of the applicant for the setting off or holding of a display Fireworks or Pyrotechnics in the minimum amount of \$5,000,000, and shall name the Municipality of Chatham Kent as an additional insured party. Such insurance shall include coverage for Display Fireworks and/or Pyrotechnic Effects. The insurance policy shall include an endorsement to provide the Municipality of Chatham-Kent within 30 calendar days prior written notice of cancellation or of a material change that would diminish coverage. Evidence of such insurance coverage must be provided prior to the issuing of a Permit.

10. INDEMNIFICATION

- 10.1** The applicant for a Permit for Display Fireworks or Pyrotechnics under this by-law shall indemnify and save harmless the Municipality of Chatham-Kent from any claims, demands, causes of action, loss, costs or damages that the Municipality of Chatham-Kent may suffer, incur or be liable for resulting from or in any way related to the performance of the applicant as set out in the By-law for the use, display, setting off or ignition of Fireworks or Pyrotechnics, whether with or without negligence on the part of the applicant, the applicant's employees, assistants, directors, contractors and agents.

11. ENFORCEMENT, OFFENCES AND PENALTIES

11.1 Every person who contravenes any of the provisions of this by-law is guilty of an offence.

11.2 Any Enforcement Officer may revoke a Permit issued pursuant to this by-law or stop the discharge of Fireworks or Pyrotechnics at any time. Non-compliance with the following shall cause the permit to be revoked:

- (a) Non-compliance with the Fire Protection and Prevention Act/Ontario Fire Code,
- (b) Non-compliance with the Explosives Act,
- (c) Non-compliance with this By-law,
- (d) Non-compliance with the conditions of the Permit,
- (e) Changes in environmental conditions,

11.3 In the case of a health, fire or safety hazard, any Enforcement Officer may compel that any hazard be removed forthwith, without notice.

11.4 Every person who contravenes any provision of this by-law is guilty of an offence and on conviction is liable to a fine as provided for in the *Provincial Offences Act*, R.S.O. 1990, Chapter P.33, as amended.

12. SEVERABILITY

12.1 If a court or tribunal of competent jurisdiction declares any portion of this by-law to be illegal or unenforceable, that portion of this by-law will be considered to be severed from the balance of the By-law, which will continue to operate in full force.

This by-law repeals Chatham-Kent By-law 44-2005 and By-law Amendment 140-2005 and shall come into full force and effect upon the final passing thereof.

READ A FIRST, AND SECOND AND THIRD TIME this 8th day of September, 2014.
