

By-law Number 27-2018

Of The Corporation of the Municipality of Chatham-Kent

A By-law to establish certain user fees

Finally Passed the 12th day of February, 2018

Whereas Section 391 (1) and 391 (1.1) of the Municipal Act, 2001,(as amended by Bill 130) hereinafter "Municipal Act", as amended, authorize a municipality and a local board to impose fees or charges on persons,

- a) for service or activities provided or done by or on behalf of it;
- b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or any local board; and
- c) for the use of its property including property under its control.

And Whereas Section 391 (3) of the Municipal Act provides that the costs included in a fee or charge may include costs incurred by the municipality or local board related to administration, enforcement and the establishment, acquisition and replacement of capital assets.

And Whereas Section 398 (1) of the Municipal Act provides that fees and charges imposed by a municipality or local board on a person constitute a debt of the person to the municipality or local board, respectively.

And Whereas Section 398 (2) of the Municipal Act provides that the treasurer of a local municipality may, and upon the request of its upper-tier municipality, if any, or of a local board whose area of jurisdiction includes any part of the municipality shall, add fees and charges imposed by the municipality, upper-tier municipality or local board, respectively, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes:

1. In the case of fees and charges for the supply of a public utility, the property to which the public utility was supplied.
2. In all other cases, any property for which all of the owners are responsible for paying the fees and charges.

And Whereas Section 69 (1) of the Planning Act, R.S.O. 1990, c. P.13, provides the council of a municipality, by by-law, may establish a tariff of fees for the processing of applications made in respect of planning matters, which tariff shall be designed to meet only the anticipated cost to the municipality or to a committee of adjustment in respect of the processing of each type of application provided for in the tariff.

And Whereas in respect of planning matters, the Council of the Corporation of the Municipality of Chatham-Kent has deemed it appropriate that the Municipality shall allow development on a full cost recovery basis. The Council has set the

tariff of planning fees in such manner as the applicant on any development shall agree to pay the actual costs incurred by the Municipality, where those costs exceed the tariff amount.

And Whereas the Council of the Corporation of the Municipality of Chatham-Kent deems it expedient to establish such fees and charges, and interest charges and other penalties.

Now Therefore the Council of the Corporation of the Municipality of Chatham-Kent enacts as follows:

1. That the tariff of fees and charges for the services as set out in Schedule "A" be adopted.
2. (a) For planning fees, a deposit is required that covers the costs related to the processing of each application, as listed on Schedule "A".

(b) Where planning costs exceed the tariff amount, the costs to the applicant shall be the actual cost borne by the municipality on a full cost recovery basis.

(c) Costs in excess of the tariff amount may include, but not be limited to, internal costs, Ontario Municipal Board Hearing costs, outside consultants, associated professional fees, etc.
3. Where any costs are not paid forthwith after being invoiced, the applicant agrees that such costs may be paid by the Municipality, added to their tax bill and collected in the same manner as taxes.
4. That interest charges, not to exceed 1 ¼ per cent each month of the amount of fees and charges due and unpaid, may be imposed for the non-payment of the fees and charges in the manner specified in the by-law, but interest may not start to accrue before the first day of default.
5. By-law 25-2017 passed by the Council of the Municipality of Chatham-Kent on the 13th day of February 2017 is hereby repealed and amending By-law 58-2017 is hereby repealed.

This By-law shall come into full force and effect upon the final passing thereof.

Read a First, Second and Third time this 12th day of February, 2018.
