Purpose and Effect: The subject property is located on the north side of McLean Line, between Duart Road and Bury Road, in the Community of Orford (Roll No. 3650 260 003 03300). The property has an area of approximately 19.94 ha (49.27 ac.) and currently contains a single detached dwelling and three (3) outbuildings. The lands are designated Agricultural Area in the Chatham-Kent Official Plan and zoned Agricultural (A1).

The application proposes to sever the existing dwelling and three (3) outbuildings onto a new parcel having an area of approximately 0.95 ha (2.35 ac.). The retained agricultural parcel will have an area of approximately 18.98 ha. (46.91 ac.) and will consist of vacant farmland.

The application also includes the establishment of permanent easements as follows:

- The severed parcel will retain access over a portion of the retained parcel to maintain access to an existing water well servicing the dwelling.
- The retained parcel will retain access over portions of the severed parcel to:
 - Provide access from the north (Scott Line), and
 - Maintain access to a portion of land that will remain under cultivation.

To implement the proposed severance, the zoning by-law amendment is required to:

- Rezone the severed parcel to a site-specific agricultural (A1-1173) zone to permit a lot created under the surplus dwelling policies within the Agricultural (A1) zone, with a lot size greater than 0.8 ha (1.98 ac.).
- Rezone the retained parcel to a site-specific Agricultural-1790 (A1-1790) zone to:
 - Establish a minimum lot area of 18.98 ha (46.91 ac), and
 - Prohibit future residential dwellings.
