1. Welcome CYPN members, Data Specialists and guests!

- Overview of Today's objectives: to tell Chatham-Kent's story through a Data lens, in order to help support our planning going forward.

2. Elisabeth Wells, PH.D. *Research and Knowledge Mobilization Manager* (45 min+15 min for Q and A)

- Overview of *Our Kids Network* <https://www.ourkidsnetwork.ca/Public/Halton-7-infographic>
- *Halton 7* framework
 - Process for developing it, how it is used
 - Some of the indicators
 - Alignment with other frameworks for wellbeing (e.g., UNICEF) <https://oneyouth.unicef.ca/en/child-and-youth-well-being-index>
- Highlight of the data portal.
- Q & A

4. DATA Discussions & Breakout Rooms

- What Data we Have vs What Date we Wish we Had
- **“Wicked Problems”** Ideas + Dot-mocracy: If you agree strongly with an entry, or were about to type the same thing, put a **RED DOT** beside it!
- *Please see attached for results*

5. Next steps:

- **Data Consortium Revived:** If you are interested in joining a subgroup to that can tell the story around these domains, please connect with Jen or Kelly asap to let us know!

6. Advocacy (Time did not allow for updates)

7. Updates (Time did not allow for update)

Thank you to all who participated in these lively and informative discussions!
