

# 3D Print Request Form

Please provide the following information for your 3D printing request.

You must have a valid Chatham-Kent Public Library card to access this service. Please be advised it may take 1-3 weeks to receive your 3D print.

Before printing, you will receive a quote for the design. Once you confirm, library staff will start your print and will notify you when it's ready for pickup. Payment is required when you pick up your model.

Your model should be an .stl file saved on a USB stick. We suggest using Cura software, but if you don't have a computer or software to slice your design, all CKPL branches have a computer with Cura available.
