CKY 2022 Survey Recap

- 561 responses to date – closes Friday
- Survey content to benchmark against 2017 and 2012 surveys

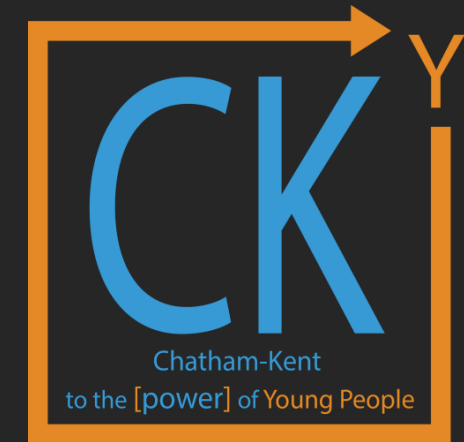

Recruitment

- 10 spots to fill
- Range of representation and age cohorts to be prioritized – Ward distribution important to balance as well
- Posts live over social media channels - to be boosted  
Shared through partners working with young people in CK
- Media release sent and featured in local media
- Shared to previous applicants

CKY Advisory Group Member Updates

- Meeting held with Minister of Education and Student Trustee Roundtable
  - substance abuse and supports needed for students
  - menstrual product availability in schools

# Meeting Notes

## CKY 2022 Survey

- CKY Advisory Group to support promotion of CKY 2022 Survey
- Survey content to benchmark against 2017 and 2012 surveys
- Promote over social media through summer and into September for back-to-school and back-to-business
  - Use incentive for completions
- Summer event engagement with prodding questions to encourage responses online – CKY Advisory to be invited to weekly outreach events

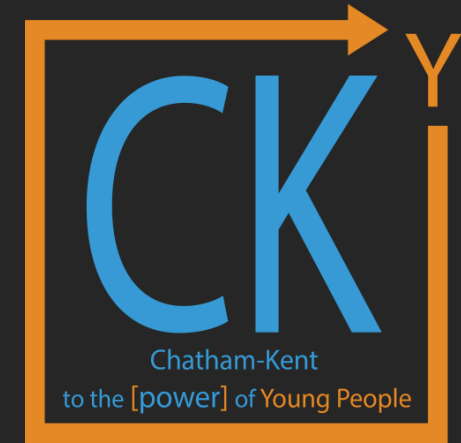

## Recruitment Plan

- September recruitment drive to be held to fill vacancies
  - CKY members to confirm on-going commitment to establish vacancy counts
- Continue existing process with redacted names
- Try for Ward distribution in selection but focus on age distribution
- September meeting to discuss prioritization of gaps to fill

## CK Satellite Rotary Club Social

- Joined CK Satellite Rotary for cross-learning opportunity & mutual support

- Those aged 15-39 make up 27.3% of the total population

CK Age Demographics by Cohorts (15-39 y/o)

# CK<sup>Y</sup> Advisory Group Meeting

April 28, 2022 | 6-7:30PM

Zoom

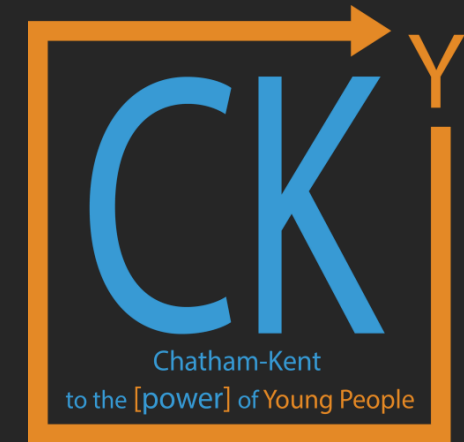

## Guest Presenter:

- Slide Deck sent as attachment.
- Discussion points:
  - See greater support for some type of green bin program v. not, in survey results
  - What are opportunities to encourage local residential composting?
    - Would supplement a Green Bin program, but limits on tracking and assessing diversion targets or proper composting practices
  - What is the more sustainable way to dispose of garbage in a landfill?
    - There are several options which are commonly more expensive or difficult.

## Council Engagement with Councillor C. McGregor

- Would like to hear more and see young people speaking up more
- Civic participation discussion on:
  - Deputations to Council
  - Voting eligibility guidelines to include younger ages
  - Youth position in municipal Council
  - Student Trustee Positions for local Boards
  - Committees of Council
  - Youth Vote for Youth
- Community responsibility for hosting activities/events/entertainment opportunities

February 24, 2022 | 6-7:30PM  
Zoom

## Welcome and Introductions (5 minutes)

- Land Acknowledgement

## Guest Presenter: (25 minutes)

- Phillip Mock, High School Graduation Rates & Engagement Event
- Building Youth Futures – Reduce poverty by increasing graduation rates and access to employment opportunities
- Three Pillars:
  - Ignite (annual gathering and bi-monthly magazine)
  - Incubator (entrepreneurship support in a physical space)
  - Trailer (handyperson business)
- Ignite Gathering – May 17 and 18 from 5-8PM
  - 2 Night Conference to discuss graduation rates
  - Discuss issues preventing graduation
  - Dedicated financial support to implement solutions
  - Asks:
    - Volunteer
      - 6-7 Facilitators throughout conference for each group (1 facilitator and 1 mentor with 15 students each)
      - 6-7 Mentors (who are aware of youth needs, provide knowledge and networking opportunities after event) – E-mentoring platform
    - Promote – hand out flyers and over social
    - Attend the event yourself
    - Join an action team after the conference is over
- Commitment Made for volunteers from CKY and guest speakers

# CK<sup>Y</sup> Advisory Group Meeting

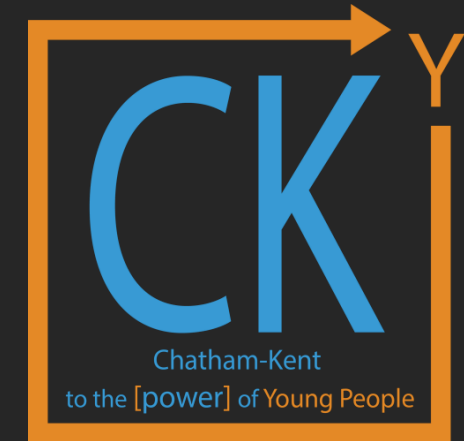

February 24, 2022 | 6-7:30PM  
Zoom

## Council Engagement: (30 minutes)

- Councillor McGrail and Councillor Thompson
  - Natural Heritage Committee – how do we create a sustainable environment and economy for land owners
    - Community engagement to find solutions together
    - How do we plan for residential growth that does not take away from farmland? To continue to #GrowForTheWorld
    - Tree coverage, watersheds, and grasslands are all part of what is being looked at as part of the strategy
  - SWIFT – Rural Internet Project is moving forward
  - Childcare program supports – MCK supports in this area are very beneficial for young families in the community
  - Investment in affordable/attainable housing is needed to support young people
  - Seeing more young professionals than in recent years coming to CK and applying for jobs locally – optimism about new investments and energy locally
