To Whom It May Concern:

Re: Evacuation Within Wheatley, Ontario

I understand that insurance companies have requested confirmation from the Municipality of Chatham-Kent that an evacuation is in place for portions of the town of Wheatley. Please accept this letter as confirmation that an evacuation has been in place for portions of Wheatley for the following time periods:

- June 2, 2021 to June 19, 2021
- July 19, 2021 to July 22, 2021. Following this date, an evacuation was maintained for one property where gas was detected.
- August 26, 2021 to present.

The evacuation is ongoing at this time and we do not know when it may be ended or if the evacuation zone may be adjusted.

Updates about this matter, including a map of the current evacuation zone can be found at: <https://www.chatham-kent.ca/localgovernment/mayor/Pages/Wheatley---State-of-Emergency.aspx>
