

Re: Community Safety Zones

**“That**

- 1. The Community Safety Zones study be pulled from the Traffic Calming Policy that is to be conducted in 2018 with recommendations not coming to Council until a undetermined date in 2019.**
- 2. Introduction of Community Safety Zone adjacent to the school(s) which permits doubled speeding fines if travelling above the posted speed limit; and a reduction of the speed limit to 30 km/hr adjacent to the school(s) be implemented in the summer months of 2018 while schools are closed for summer break.”**
