

Re: Renaming of Dresden Arena

“Whereas the late Ken Houston provided inspiration to local youngsters and was a source of pride for all local residents throughout his National Hockey League career;

And whereas Mr. Houston made Chatham-Kent his lifelong home and gave unselfishly of his time and effort to a long list of local charitable and community events;

And whereas I was approached by a large number Dresden and area residents during the recent Dresden Exhibition seeking a permanent and public acknowledgement of the legacy of Mr. Houston;

Therefore be it resolved that the arena in Dresden be renamed the Ken Houston Lambton-Kent Memorial Agricultural Centre.”

Signed: Mayor Randy Hope
