

## Motion

Re: Annual Day Sales Licence

**Whereas the Municipality of Chatham-Kent Council passed a Consolidated Business Licensing By-law (#178-2015) that defines Day Sales as the sale of goods for a one to three day consecutive period from one specific location such as, but not limited to, a parking lot, a service station lot or a vacant commercial lot where the use is permitted in the Municipality's Zoning By-law and regulates day sales, door to door sales, salesperson.**

**Therefore, be it resolved that Administration further investigate the Day Sales licence type of the current Consolidated Business Licensing By-law to potentially include an annual licence and fees, multiple locations, mobile sales, and Chatham-Kent resident fee.**
