

Motion

Re: Renaming of Wheatley Soccer Fields

“Whereas at the October 19, 2020 meeting, Council directed that any applications received under the Commemorative Naming Policy be temporarily placed on hold until Council received a report following the valuation of assets and the Naming Rights Sponsorship plan.

Therefore be it resolved that administration investigate the renaming of the Wheatley Soccer Fields to Michael Laliberte Soccer Field in accordance with the Commemorative Naming Policy and report back to Council. This motion will require a 2/3 vote to reconsider the direction to put naming applications on hold”.
