

Motion

Re: Return to pre-Covid-19 approved Budget Service Levels

“Whereas Chatham-Kent has been notified that we will receive at least \$5.8 million in Covid-19 Safe Restart Provincial/Federal funds to assist with Chatham-Kent’s 2020 Covid-19 pandemic lost revenues and additional expenses;

I move that we return to full 2020 pre-Covid-19 approved budget service levels, for all remaining services, for the remainder of 2020, where warranted by demonstrated community demand and where allowed under Covid-19 Public Health restrictions, with a full variance report provided to Council prior to 2021 Budget deliberations.”

Signed: Councillor Latimer
