Re: Provincial Lockdown

“Whereas we are in another lock down which is hurting the small businesses in Chatham-Kent and;

Whereas, we do not know when the lock downs will stop;

And whereas Chatham-Kent is and has been doing an excellent job of keeping our COVID19 numbers low and;

Whereas, every lock down Chatham-Kent is losing more small businesses.

Therefore, it is requested that the Mayor send a letter to the Honourable Premier Doug Ford requesting the Premier to stop the lock downs in the Municipality of Chatham-Kent.”
