

Municipality of Chatham-Kent

Bulk Collection Schedule

The weekly limit is one full toter cart or three bags/items per week. Do not place the toter cart out in addition to a large item(s). Large items must be at the curb by 7am on your regular collection day to be flagged for pickup by a separate bulk collection truck provided they are within your weekly limit. For example: Place one bag out with two large items or two bags and one large item.
