NOTICE OF PUBLIC INFORMATION CENTRE #1

CHATHAM-KENT WATER AND WASTEWATER MASTER PLAN UPDATE STUDY

The Public Utilities Commission for the Municipality of Chatham-Kent (CK PUC) is undertaking a Water and Wastewater Master Plan (WWWMP) Update Study following Approach #1. The Study is being prepared in accordance with the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (Class EA) requirements for Master Plans (MPs).

The study will review previous capital plans, identify additional capital upgrades, and assess infrastructure requirements to support future growth to the estimated full build-out scenario beyond 2051, while continuing to improve servicing to existing users. This Study is being coordinated with the Chatham-Kent Official Plan Update, the Southwest Servicing Study, the Transportation Mobility MP, and the Parks and Recreation MP. The servicing solutions will be designed to be financially, socially and environmentally sustainable.

Purpose of Public Information Centre (PIC) #1

To ensure all those interested have an opportunity to provide input to the WWWMP Update Study, three (3) PICs will be held. PIC#1 will provide an overview of the WWWMP Update process, study area, existing water and wastewater servicing, define the problem / opportunity statement and next steps. PIC#1 also provide interested parties the opportunity to get involved and provide input.

We want to hear from you!

Public input and comments are important. Interested parties are invited to participate virtually to learn more about the study, provide input, and are encouraged to visit the project webpage for updates, notices, and study materials.

- Public Input Period: Wednesday May 20, 2026 to Wednesday, June 3, 2026
- Visit project webpage at www.letstalkchatham-kent.ca/wastewater-master-plan

If you have any questions or comments and/or would like to be added to the MP Update's mailing list, please contact one of the study representatives listed below:

Dhana Niriella, PhD, P.Eng, PE(FL)
Chatham-Kent PUC
Manager of Engineering
