NOTICE OF PUBLIC INFORMATION CENTRE #2

CHATHAM-KENT WATER AND WASTEWATER MASTER PLAN UPDATE STUDY

The Public Utilities Commission for the Municipality of Chatham-Kent (CK PUC) is undertaking a Water and Wastewater Master Plan (WWWMP) Update Study following Approach #1. The Study is being prepared in accordance with the Municipal Engineers Association (MEA) Municipal Class Environmental Assessment (Class EA) requirements for Master Plans (MPs).

The study will review previous capital plans, identify additional capital upgrades, and assess infrastructure requirements to support future growth to the estimated full build-out scenario beyond 2051, while continuing to improve servicing to existing users. The servicing solutions will be designed to be financially, socially and environmentally sustainable.
